Accommodation: Petrobras do not have any partnership to offer discounted rate but please find below a few suggestions (although there are many other excellent options):

Any hotel with a good score located in Copacabana beach area (touristic area, several restaurants, hotels and great sightseeing).

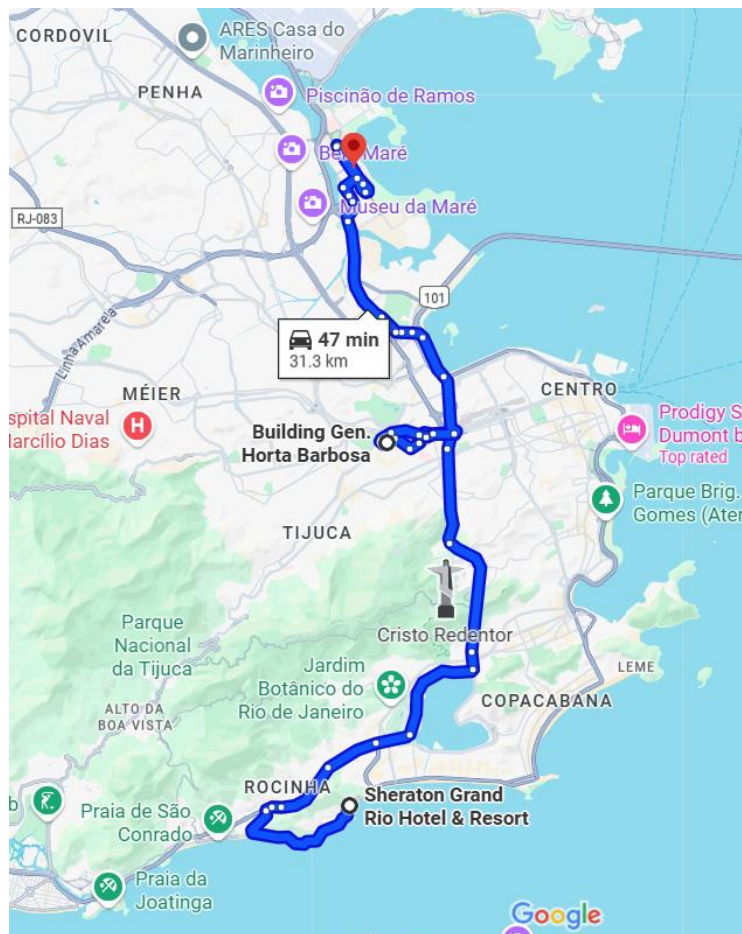

Windsor Excelsior Hotel: Avenida Atlantica 1800, Copacabana , 22021-030 Rio De Janeiro.

Sheraton Grand Rio Hotel & Resort: Av. Niemeyer, 121 - Leblon, Rio de Janeiro - RJ, 22450-220 This is where The Wells Conference, organized by the Offshore Network is planned to take place. If you are planning to attend both – TWC and PACE – do consider staying here for the TWC – or in another nearby hotel – and perhaps moving to another hotel for the PACE days.

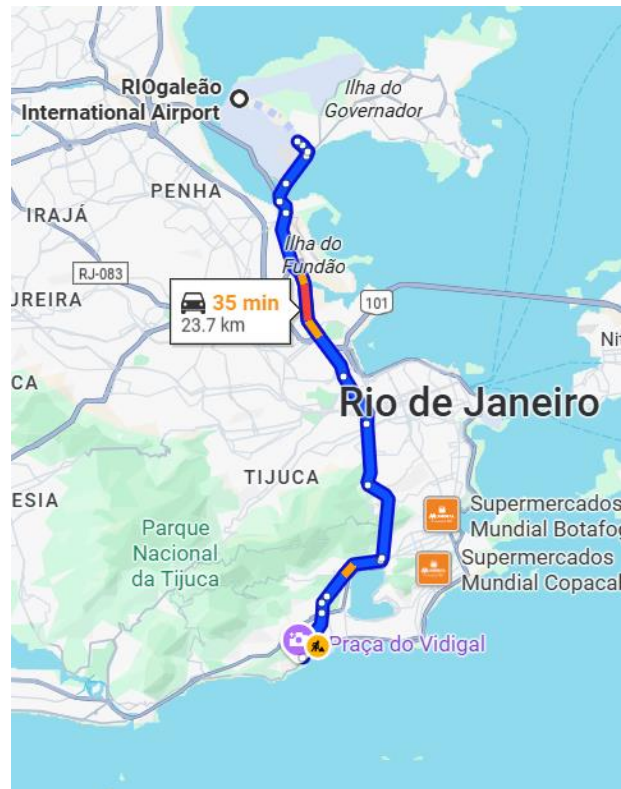

Windsor Florida Hotel: R. Ferreira Viana, 81 - Flamengo, Rio de Janeiro - RJ, 22210. This is where Petrobras typically stay when they work in Rio. It's a nice hotel, although not in a very touristic area.

Sheraton Grand Rio Hotel, Copacabana Beach to EDIHB (Edifício General Horta Barbosa) building) for Day One

Sheraton Grand Tio Hotel, Copacabana Beach to CENPES – for Day Two

Rio International Airport into Rio / Sheraton Hotel/ Copacabana Beach
